

**Motor Controlled Linear Drives**

Code	Flange	Travel length
ICF34-MLM-S	ICF34	Customized
ICF70-MLM-S	ICF70	Customized

**Motor controlled linear motion**

**Stepping motor controlled accurate linear motion**

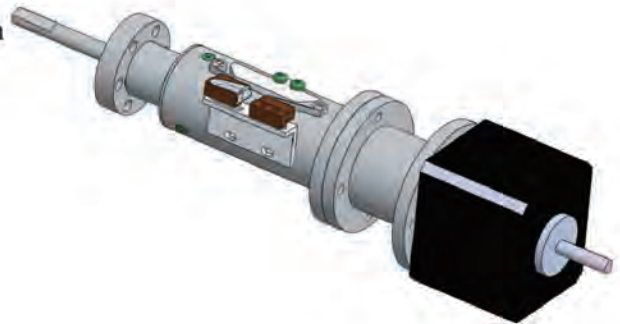

**Resolution of 0.01mm**

**UHV use**

**Installing direction free**

**Baking temperature:  $\leq 200^{\circ}\text{C}$**

**Customized design and manufacture**

**Electron Current Measure Linear Drives**

Code	Flange	Travel length
ICF34-CMLD-S	ICF34	Customized
ICF70-CMLD-S	ICF70	Customized

**Current measure linear drives**

**Accurate linear motion**

**UHV use**

**Current detect with BNC connector**

**Baking temperature:  $\leq 200^{\circ}\text{C}$**

**Popular in synchrotron X-ray beamline**
